

EMERGING MARKETS PROGRAM		
Projects Approved for Fiscal Year 2005 Funding		
Country/Region	Project	Amount
<b>Asia</b>		
China	Feasibility Study on the Viability of Commercial Almond Production in China Almond Board of California	\$33,000
China	Reverse Trade Mission from China: Almond Ingredient Usage Almond Board of California	\$25,000
China	Access to Markets for Alaskan Seed Potatoes: Feasibility Study, Phase 2 Alaska Agricultural Development and Marketing, Inc.	\$198,800
China	U.S. Dairy Ingredients Seminar, Consultations: China's Infant Food Market U.S. Dairy Export Council	\$20,000
China	Importer Education Tour Ginseng Board of Wisconsin	\$26,000
China	China Ingredients Project California Agricultural Export Council	\$86,200
China	Assessment of China's Horticultural Trade Potential Western Growers' Association	\$74,425
China	COTTON USA Chinese Buyer Education Initiative Cotton Council International	\$200,000
China	U.S. Ranch-raised Fur Skins: Media Educational Workshops, Market Research American Legend Cooperative	\$100,000
China	Market Development for Turkey in China Minnesota Department of Agriculture	\$138,500
China	Soybean-based Fish Feeds, Impact on Fresh Water Quality USDA/Foreign Agricultural Service, China	\$131,500
China	Agricultural Statistics Improvement Project (2-year project) USDA/National Agricultural Statistics Service	\$100,000
China	China's Cotton Spinning Industry Contact, Resource Development USDA/Foreign Agricultural Service	\$36,231
China	Assay of U.S. Vegetables Export Opportunities, Constraints in the China Market USDA/ Foreign Agricultural Service	\$41,852

China, Malaysia Vietnam	Retail and Hotel, Restaurant, Institutional (HRI) Export Development National Association of State Departments of Agriculture	\$125,000
Thailand	Technical Promotions: Southeast Asia Food Processors USA Dry Pea and Lentil Council	\$103,000
Philippines	Technical Promotions: Southeast Asia Food Processors USA Dry Pea and Lentil Council	\$103,000
Philippines	Assessment of Market Potential, Development-U.S. Identify-Preserved Soybeans Missouri Soybean Association	\$51,799
Indonesia	Technical Promotions: Southeast Asia Food Processors USA Dry Pea and Lentil Council	\$103,000
Indonesia	Research, Development of Fortified, Pre-cooked Dry Blended Foods National Dry Bean Council	\$65,000
Indonesia	Commercial Market Introduction of UHT Pulses-based Drinks National Dry Bean Council	\$95,000
Indonesia, Thailand, Philippines, Vietnam	Southeast Asia Snack Ingredient Project California Agricultural Export Council	\$50,000
Southeast Asia	Southeast Asia 2006: Training and Promotion of U.S. Products Food Marketing Institute	\$199,330
Asia and Pacific	Implementation of Recommendations from Phytosanitary/Harmonization Project American Seed Trade Association	\$100,000
Central Asia	Market Research U.S. Rice Producers Association	\$75,000
Southeast Asia	Market Analysis and Capacity Building in Southeast Asia USDA/Economic Research Service	\$200,000
Philippines	USDA/U.S. Cooperators Demonstration Kitchen (3-year project) USDA/Foreign Agricultural Service	\$86,985
Philippines	Feasibility Study: Prospects for U.S. Trade, Investment in Food Processing Sector, Philippine Economic Zone USDA/ Foreign Agricultural Service	\$18,480
Philippines	Feasibility of U.S. Grade Juice Concentrate for Wine Production in the Philippines USDA/Foreign Agricultural Service	\$11,316

Thailand	SKU Introductory Promotion Program in Foodland, Tops Marketplace USDA/Foreign Agricultural Service	\$101,900
Thailand	Workshop on Applications of U.S. Hardwoods USDA/Foreign Agricultural Service	\$20,000
<b>Former Soviet Union, Central and Eastern Europe</b>		
Czech Republic	Research for U.S. Microbrew/Craft Beer Brewers Association	\$30,000
Czech Republic	Market Research California Prune Board	\$20,000
Hungary	Market Research California Prune Board	\$20,000
Bulgaria, Croatia	Market Evaluation USA Rice Federation	\$20,000
Poland, Hungary, Czech Republic	Market Evaluation USA Rice Federation	\$35,000
Russia	Technical Assistance for U.S. Almonds in Russia Almond Board of California	\$80,000
Russia	U.S. Ranch-raised Fur Skins: Media Educational Workshops, Market Research American Legend Cooperative	\$40,000
Russia, Ukraine	U.S. Soy Market Development in the Soy Processing Industry American Soybean Association	\$150,000
Russia	International Statistical Cooperation Project USDA/National Agricultural Statistics Service	\$125,000
Russia	Biotechnology: Russian Speaking Tour USDA/ Foreign Agricultural Service	\$11,200
Russia	Biotechnology: Publication of Articles in Russian USDA/ Foreign Agricultural Service	\$12,000
Russia	Web Publishing of USDA Articles in Russian USDA/ Foreign Agricultural Service	\$5,000
Russia	Participation in Russia's "Golden Autumn" Agricultural Fair USDA/ Foreign Agricultural Service	\$20,000
<b>Central and South America, Caribbean</b>		
Central America	Market Development for Minnesota Products in Central America Minnesota Department of Agriculture	\$55,500

Mexico	Consumer Attitudes, Awareness, Usage Study for U.S. Almonds in Mexico Almond Board of California	\$50,000
Mexico	Bakery Education Program Cherry Marketing Institute	\$21,000
Mexico	Expanding Export Opportunities for Regional Corn Belt Suppliers to Mexico Nebraska Corn Development, Utilization and Marketing Board	\$138,464
Mexico	"BRIDGES" Program for Mexico for U.S. Food Service Products Southern U.S. Trade Association	\$167,812
Mexico	Trade Facilitation Network: Expansion of Direct Marketing Texas Grain Sorghum to Mexico Texas Grain Sorghum Association	\$249,040
Brazil	Brazil's Competitive Potential: Impact of Domestic Policies, Limits to Agricultural Growth, Rising Domestic Demand USDA/Economic Research Service	\$90,000
Brazil	Improved Agricultural Statistics Systems USDA/National Agricultural Statistics Service	\$90,000
Mexico	International Statistical Cooperation Project USDA/National Agricultural Statistics Service	\$55,000
Venezuela	Food Processing Sector Research \$ 15,000 USDA/Foreign Agricultural Service	\$15,000
Venezuela	Reverse Trade Mission: Institute of Food Technologists Expo USDA/ Foreign Agricultural Service	\$16,825
<b>South Asia, Middle East and Africa</b>		
India	India Trade Seminars California Table Grape Commission	\$20,000
India	Nutritional Feeding Development Project–U.S. Almonds to India Almond Board of California	\$35,000
